

Tower Safety Week: 13 - 17 November 2017

Conditions for participation

Tower Safety Week is an excellent opportunity to showcase the safe use of mobile access towers.

Overview

A week-long series of events to promote Tower Safety and versatility.

To get the best out of the event

Sign up early, use the Tower Safety Week collateral and inform PASMA's marketing team on your planned activity. Make sure you/your company follow PASMA's social media channels and interact with us for maximum impact.

Please see our guidance (included in the Tower Safety Week sign-up pack) for details of how to gain maximum impact from participating in Tower Safety Week.

To participate

Register at our website <http://towerweek.pasma.org.uk>

Use of Tower Safety Week collateral

A social media download pack is available for all Tower Safety Week supporters from PASMA's marketing team and includes a royalty-free, non-transferable licence to use Tower Safety Week collateral.

Participation is all about raising awareness of good practice, and we encourage positive messages and images around working well with towers.

Use of PASMA registered mark

The PASMA and the PASMA logo are registered trademarks marks owned by the Prefabricated Access Suppliers' & Manufacturers' Association Ltd and can only be used by approved companies/individuals in the format and to the guidelines that PASMA mandate.

Any questions?
