

ALTO

INDUSTRIAL TOWERS AVOID THE HIDDEN COSTS OF USING LIGHTWEIGHT TOWERS

IF YOU ARE A HIRER AND YOU DON'T USE ALTO TOWERS, THEN YOU ARE PROBABLY PAYING MORE FOR THE DAMAGE THAN YOU DO FOR THE HIRE.

IF YOU ARE A HIRE COMPANY AND YOU DON'T USE ALTO TOWERS YOU ARE PROBABLY LOSING CUSTOMERS AND UTILISATION DUE TO DAMAGE AND DISPUTES

ALTO TOWERS HAVE BEEN DESIGNED WITH STRENGTH, SIMPLICITY AND SAFETY IN MIND USING THICK WALL TUBE, CONTINUOUS WELDED JOINTS AND A CONICAL SPIGOT TO AVOID JAMMING.

THAT IS WHY ALTO IS THE ONLY TOWER SUPPLIER TO WIN A HIRE INDUSTRY SAFETY AWARD.

BELOW ARE LISTED JUST A FEW OF THE 700+ OUTLETS THAT OFFER ALTO TOWERS FOR HIRE.
